EDITOR'S NOTEBOOK

Dear Archie Readers,

Here's some great news for all you Sabrina fans. Airing this fall on the WB network, is the ALL-NEW Sabrina live-action TV show. Additionally, the original Sabrina shows will be in syndication, appearing on your local channels as well. The animated Sabrina shows will still be on ABC-TV every Saturday and six days a week on the UPN network. All you have to do is decide which witch is which and when to watch it.

You've probably noticed at the bottom of the pages, a line saying "Betty & Veronica Fashion Dolls Coming Fall 2000!!!" Well, I just want you to know, we're right on schedule. Look for more updates, in our comics and on the Archie website, as to what stores will be carrying these dolls. As an added bonus, there's a free comic packed with each doll.

Speaking of dolls, I'm sure a lot of our female readers think that NSYNC, are the cutest dolls around. I'm sure a lot of the guys think they're pretty cool, too. Now I realize you might not want to start thinking about going back to school. But if you had the chance to meet NSYNC I bet you'd give up your summer vacation. This month NABISCO is running a back-to-school sweepstakes, where you could win a chance to meet this fabulous group....and have them perform at your school. Think that would improve your social life? Helloooo! The sweepstakes ad will be appearing in Archie comic titles all this month. Don't miss out.

In anticipation of this fall's "Charlie's Angels: The Movie," Archie comics has given its own spin to the daring female detectives. We call it "Archie's Angels." Pretty original, eh! In BETTY & VERONICA SPECTACULAR #44, Betty, Veronica and Brigitte make up the hard hitting crime-fighting team, who receive their assignments from the mysterious and barely seen Archie.
